What is Taizé

Taizé is a small village in the south of France in the Burgundy region. Since the 1940s the village has been home to an ecumenical community of brothers. Over the summer the brothers invite 1000s of young people from across the world to gather at Taizé

The meetings in Taizé are centred around prayer, community life, and reconciliation. People come to meet with each other, to talk and share our lives, and to encounter God. The brothers of the community come from a diverse range of Christian denominations and so it is truly a place for Christians of all churches to gather as one. It is also a place for young people to take time out and contemplate and pray. It is an inclusive space for people of faith, some faith, or no faith, to come and reflect on life. The community has a particular calling to young people.

A large crowd of people is gathered in a church, holding lit candles. The scene is dimly lit, with the primary light source being the numerous small flames of the candles held by the congregation. The church's interior features wooden walls and a high ceiling.

What happens at Taizé?

The day at Taizé is centred around prayer which happens three times a day. The prayer involves the singing of simple chants, readings, and periods of silence. We sing in multiple languages and so the worship is simple to learn.

Each day also includes a time of reflection on the bible in large groups led by one of the brothers. Then people split into their small groups (assigned by age) and discuss with each other about the reflection. These groups also play games and become close friends whilst at Taizé.

Meals

Meals at Taizé are simple and shared together as one big community. All dietary requirements are well met. All meals are included as part of the stay at Taizé.

Community Work

Running a village with this many young people is a big task and everyone pitches in to make Taizé happen. Each person is assigned a work team and will undertake a simple task to help the whole community run smoothly.

Silent Spaces

throughout Taizé there are silent gardens and spaces to relax. There is plenty of free time to enjoy. The gardens are a great place to rest or read.

Oyak Cafe

Oyak is the onsite cafe which opens several times a day. it sells snacks, pizza, crepes, and ice creams. In the evening it is the place to sing and dance and have a party. It is run at cost and so is very cheap, making it accessible for everyone.

Accommodation at Taizé

Accommodation at Taizé comes in two forms and the emphasis is on simplicity. Taizé is well fitted with toilets and shower blocks all of which are cleaned and maintained to a high standard. This year we shall be staying in the barracks,

Camping

Many choose to camp on the fields at Taizé, there are ample toilet and shower blocks near by and lighting on the pathways. You will need to bring your own tent and sleeping gear.

Barracks

The dorms at Taizé are called barracks and these are shared dorm rooms with bunk beds. each room sleeps 8 and they are single sex rooms only. all barracks have toilet and shower blocks. groups are kept together and group leaders sleep in separate barracks nearby. In the barrack you still need to bring a sleeping bag and pillow.

Leadership & Safeguarding

This trip is a joint trip between YMIC Southwark and YMIC London. Leaders and youth workers from both networks will be accompanying their respective groups.

Bespoke safeguarding guidance has been produced in collaboration with the diocese of Southwark and London, you can read the policy on the Taizé page of the YMIC website.

All adults on this trip are DBS checked and trained and every measure is taken to ensure the safety and wellbeing of young people in our care. young people will have a dedicated group leader to look after them during the trip.

The background image shows the exterior of a building with a light-colored wall. On the left is a glass door and a window with a flower box containing red flowers. To the right of the window is a vertical sign with the word 'Welcome' in multiple languages: 'Accueil', 'Welcome', 'Empfang', 'Acogida', 'Przyjęcie', and 'Привет'. Further right is a large, hand-drawn map on a yellow background, showing a layout of buildings and areas with labels like 'WELCOME PLACES', 'OPENING TIME 14³⁰', 'EGLISE XPM CHURCH', 'LA MORADA', 'CASA', and 'LOZAK'.

Accident & Emergency

Taizé is a safe and secure environment and everything possible is done to prevent accident and injury. In the case of minor injury or sickness there is a small health centre onsite with trained volunteers to provide first aid care.

In the highly unlikely scenario that a young person requires more serious medical care, the community has vehicles on hand to drive your young person and relevant adult leaders to the nearby hospital in Cluny. It is essential that all pilgrims, if eligible, have a Global Health Insurance Card (GHIC). The GHIC enables access to state medical care whilst outside the UK.

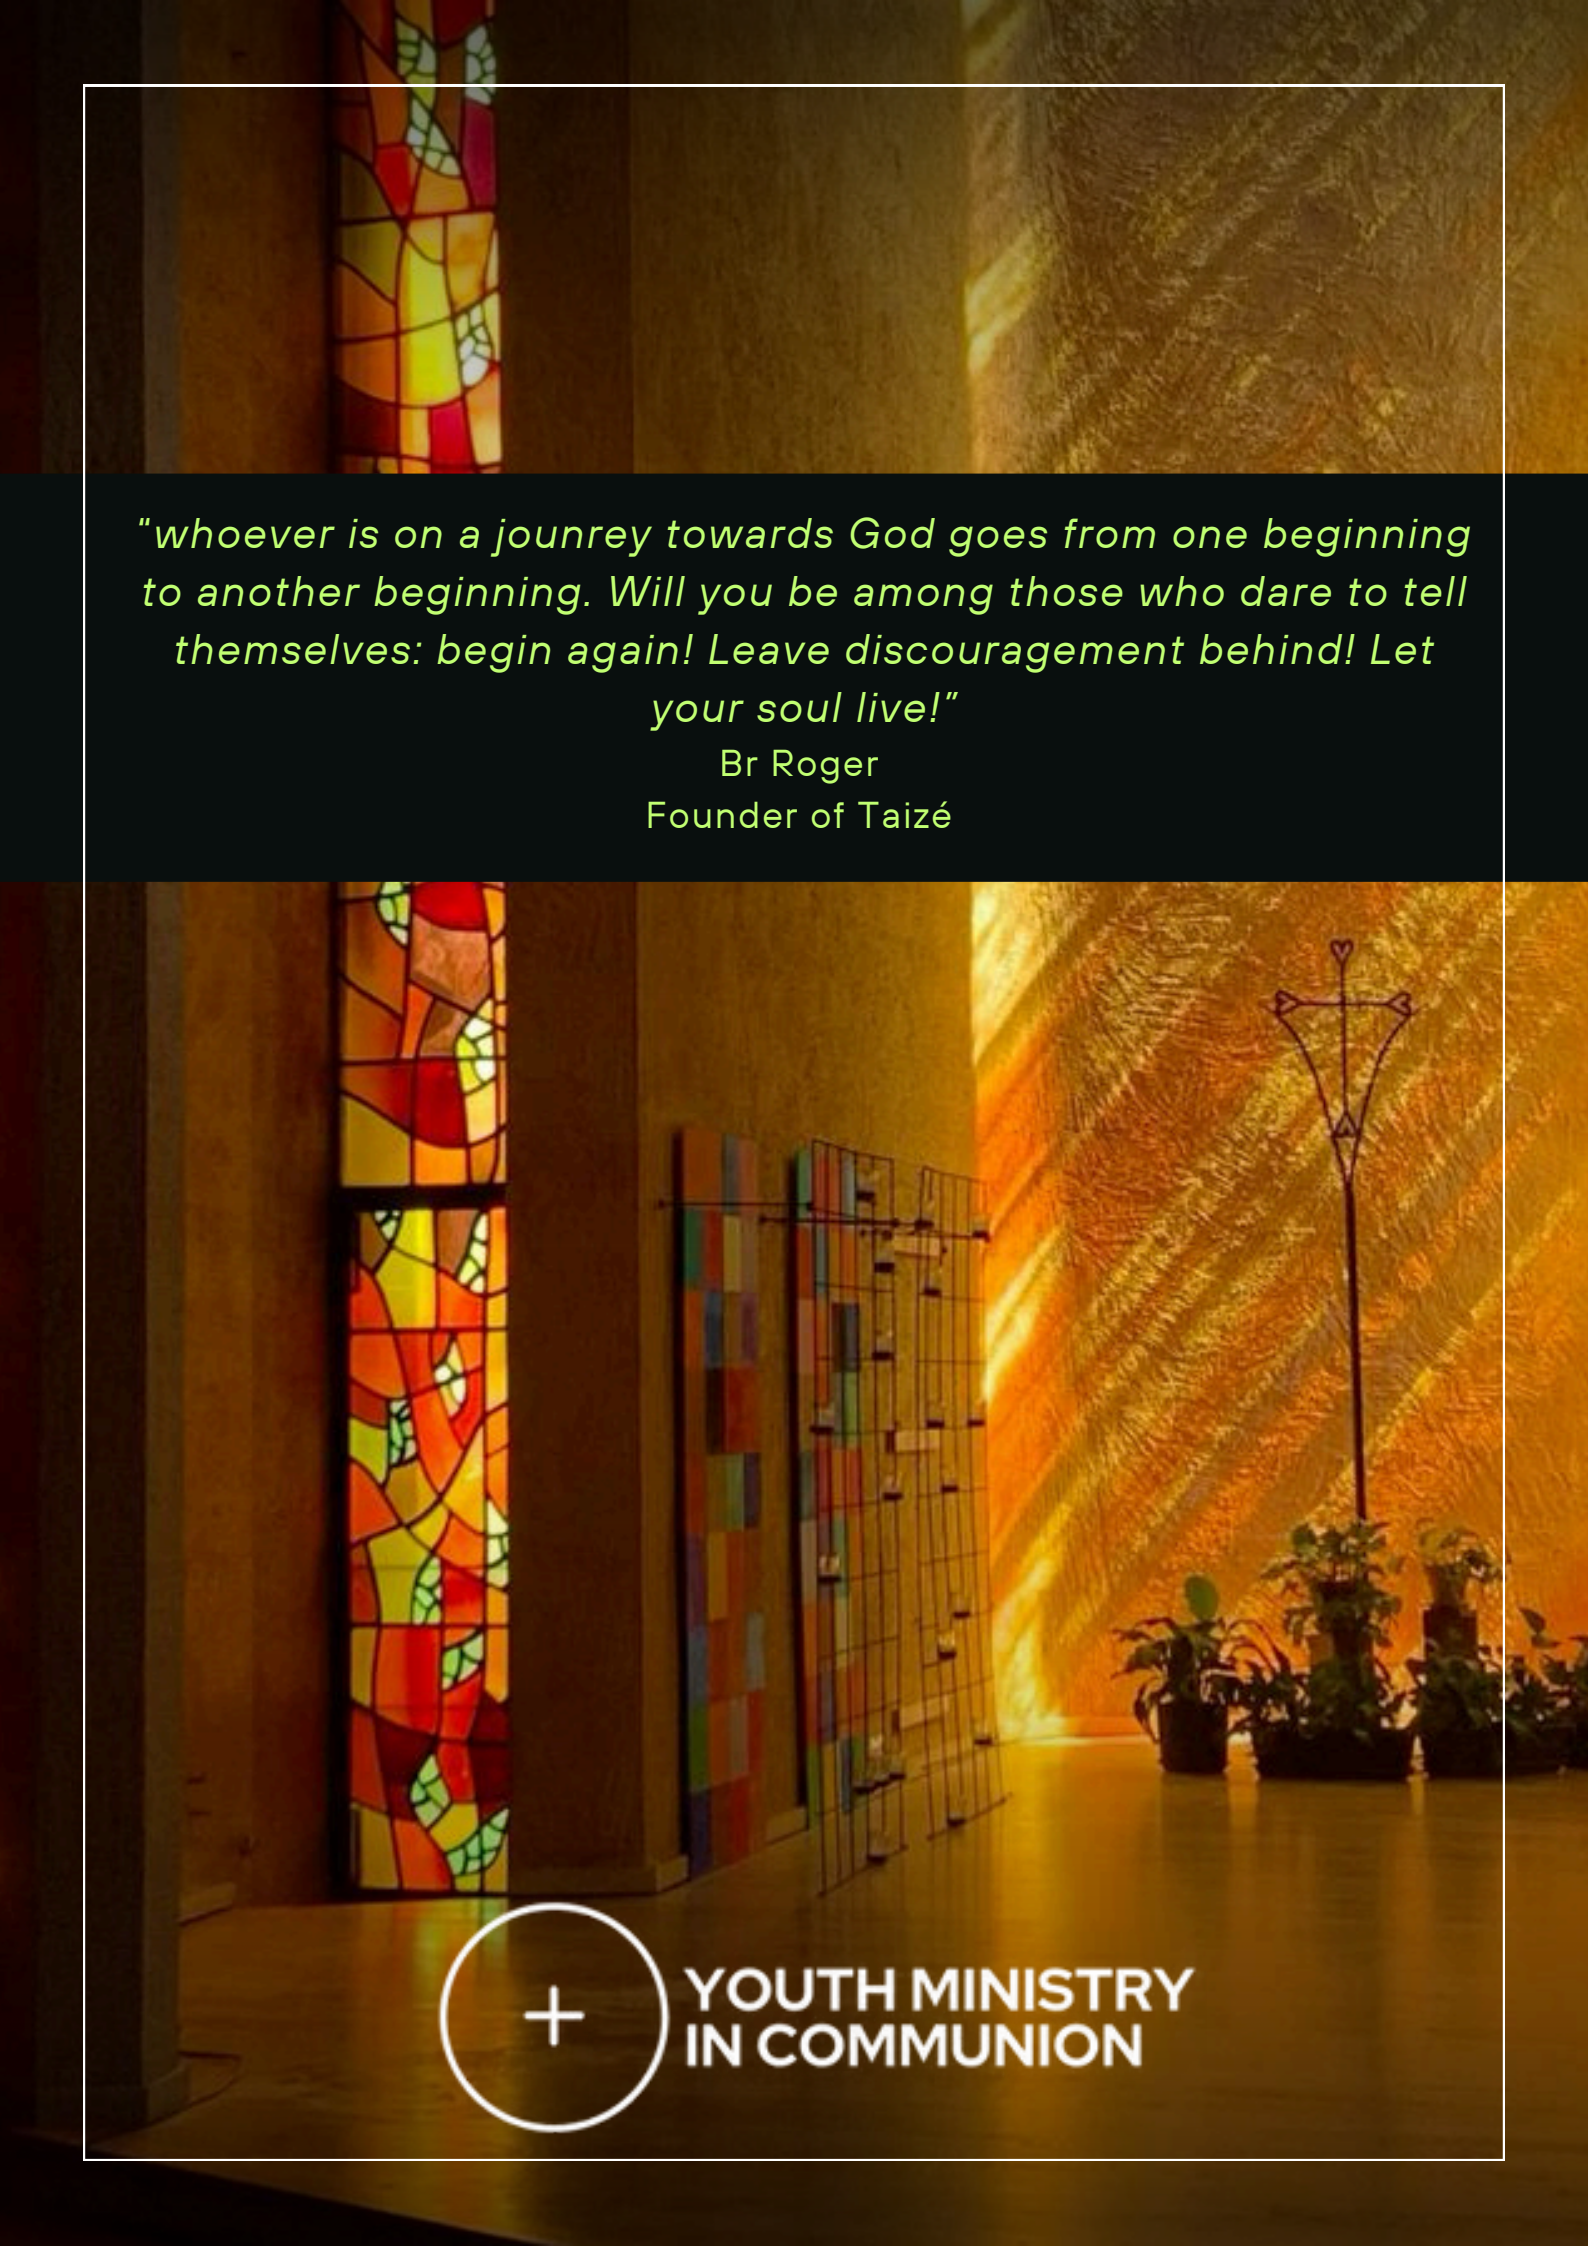

It is a requirement for taking minors overseas that parents name a responsible adult to act in loco-parentis. This person, will be a member of YMIC staff and they will be able to make medical decisions in the case of emergency. If such an occasion were to arise, you would be contacted immediately.

Young Adult Pilgrims

In event of there being spare seats on the coach, these seats will be offered to well established young adult groups within our own church communities. These are likely to be young adults (20s-30s) who will attend Taizé as part of the separate adult programme at Taizé. These pilgrims will have no involvement in the youth pilgrimage. These additional pilgrims will simply travel in the coach to and from Taizé. The sale of spare tickets is vital to keeping the trip affordable and viable for our young people.

- Young Adult pilgrims wishing to travel to Taizé do so as independent groups and YMIC is not responsible for your registration, accommodation, contribution at Taizé.
- If you wish to book a space on the waiting list for a spare ticket please email kieron.rowley@parishofputney.co.uk
- travel only tickets cost £200 per person and do not include your financial contribution to Taizé which you will need to make independently.
- All young adult pilgrims will need to provide a reference from a trusted source either your local parish priest, chaplain, or a college/uni tutor who has known you for at least 6 months.

"whoever is on a journey towards God goes from one beginning to another beginning. Will you be among those who dare to tell themselves: begin again! Leave discouragement behind! Let your soul live!"
